## FEDERAL RESERVE SYSTEM

### Federal Open Market Committee; Domestic Policy Directive of August 24, 1999.

In accordance with § 271.5 of its rules regarding availability of information (12 CFR part 271), there is set forth below the domestic policy directive issued by the Federal Open Market Committee at its meeting held on August 24, 1999.<sup>1</sup> The directive was issued to the Federal Reserve Bank of New York as follows:

The information reviewed at this meeting suggests continued solid expansion of economic activity. Nonfarm payroll employment has increased rapidly in recent months, and the civilian unemployment rate, at 4.3 percent in July, matched its average for the first half of the year. Manufacturing output continued to grow moderately on average in June and July. Total retail sales have grown less rapidly in recent months, while housing activity has
